He has 24 years teaching and clinical experience to treat various pain related symptoms like neck pain, should pain, leg pain, and joints pain by cupping and scraping.

**Cancellation/Refund Policy:** If you notify UEWM CEU office at least one week before a scheduled conference or seminar that you are unable to attend, you will receive a full refund. Notification received less than one week before a scheduled conference or seminar administration fee will be charged. Notification and request for a refund must be submitted in written format. If you are a no-show, no fees will be refunded. Refunds will be processed within six weeks after they are requested.

**Note:** UEWM reserves the right to cancel any event in its reasonable discretion. In the event of cancellation by UEWM, registration fees will be refunded in full. UEWM shall have no further liability. There will be a \$20 handling fee for returned checks. No refund of fees will be made for people who must leave the Seminars early.

**Provider Statement:** Approval by the California Acupuncture Board, CEP #259, and the California Board of Registered Nursing, CEP #13283, for 22 hours of continuing education.

*If you attend the UEWM continuing education programs, make sure you attend the entire seminar. Arrive on time. Do not leave early or come and go from the lecture. If we have not gotten your three signatures during one day, which will be signed randomly, you will not qualify to get your certificate for 8 CEUs per day. If you cannot show up for the whole day, 8-hour lectures, we cannot provide you with an 8-unit certificate. UEWM doesn't provide any handout for CEU.*
