

University of East-West Medicine

Master's degree in University of East-West Medicine

Program Length: 8 years

This program has not passed standards established by the U.S. Department of Education. The Department based these standards on the amounts students borrow for enrollment in this program and their reported earnings. If in the future the program does not pass the standards, students who are then enrolled may not be able to use federal student grants or loans to pay for the program, and may have to find other ways such as private loans, to pay for the program.

Students graduating on time

N/A* of Title IV students complete the program within 8 years¹

*Fewer than 10 students enrolled in this program. This number has been withheld to preserve the confidentiality of the students.
