

Acupuncture position available in Sacramento Region

ProActive Acupuncture: Center for Asian Healing Arts is opening an additional office in Roseville, Ca and we are looking for acupuncturists to join our practice. We are a high volume professional Chinese medical clinic that has been established for 13 years here in Sacramento. We are open seven days a week and accept medical insurance, workers compensation, auto injuries, and patients paying out of pocket. Our current acupuncturists specialize in pain management, women's health/fertility as well as generalized medicine. We are looking for practitioners who are willing to work in a team environment for the common goal of providing our community with the highest quality of care possible.

Position(s) Available: Licensed Acupuncturist will be hired as an independent contractor on a percentage based income generated through acupuncture treatment and herbal/supplement sales. The Practitioner will be provided with full use of the facility including: treatment rooms, reception and waiting areas, break room, bathroom and kitchenette. All business operations will be provided for including reception support and insurance billing. This position is perfect for the Acupuncturist who doesn't want the responsibility of running and operating their own business but wants to focus primarily on treatment and patient care. A great opportunity for a newly licensed practitioner!
