

感谢信

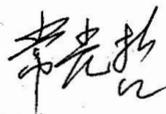

尊敬的美国国际医药大学领导、老师们、同学们：

您们好！

七月的盛夏，瓦蓝瓦蓝的天空上是一轮炽烈的太阳，它炙烤着大地，地面上是阵阵的热浪，正值盛夏之际，让我想起远在加州的阳光，和它早晚的清涼，也让我想起我在国际医药大学的老师、同事、同学，今年已经是母校建校 21 周年了，在 14 年前的我刚刚进入校门的情景还历历在目，为了实现我的梦想，能为人们解除痛苦贡献自己的微薄之力。经过多年的努力所读的硕士和博士也毕业了，而且也在学校担任教职工作，因着在母校的经历在 2016 年回到中国三甲医院工作，在国内的医疗事业上有了自己的一席之地，有了一个集医教研管为一体的综合平台，在大陆也让我充份的展现所学，现在我已经不是科主任。没有学校也就没有我的现在，所以我做为母校的一份子，一个远在大陆的学子由衷感谢母校的培育与关爱，感谢曾经给过我们热忱与奉献的每一位园丁，王校长、秦老师、万老师、张老师、谢老师等等，您在引导我走向未来的同时，更是传承与谱写了教育育辉煌的传统与隽永的华章。

当初我满怀憧憬走进位校园的那一刻起，就被激情四射的校园、诲人不倦的师长——所深深沐濡浸染，学习生活所享受的这一切是一笔多么宝贵的人生财富啊，至今回眸，思绪仍意犹未尽。因着在国际医药大学的学习，我也为母校给予我的教学和管理平台提高了自己，在此之际，我想对母校说：远在他乡的我很勤奋很努力，我没有让母校失望。这几年，我带着母校的谆谆教诲与祝福，母校这段经历是我人生的一个重要转折点，我们对此将终生难忘。

祝愿母校再创辉煌，明天更美好！

July 4, 2018

Dear president, faculty, staff and students of the University of East-West Medicine,

Greetings!

In the middle of summer in July, the sun is blazing in the clear blue sky. There is a wave of heat on the ground, with cool mornings and evenings, reminding me of the weather in California, making me think of my teachers, colleagues, and classmates at UEWM. Now it is already the 21st anniversary of my alma mater, and I can still remember clearly when I first stepped on the school grounds 14 years ago, in order to realize my dream of helping people to relieve their pain. After many years of hard work, I graduated from my master's and doctoral degrees, and I also worked as a faculty member in the school. In 2016, because of my experience at UEWM I was able to return to China to work in their top hospitals, and now I have a place in China's medical field. The hospital where I work has a comprehensive platform integrating medical education and research, allowing me to fully demonstrate what I have learned. Currently I am the director of the department. If it were not for UEWM, I would not be where I am today. Although I am far away, as a student of UEWM, I am grateful for the education and care that I received at my alma mater. Thanks to all my teachers who cultivated us with enthusiasm and dedication: President Wang, Professor Qin, Professor Wan, Professor Zhang, Professor Xie, among others. While guiding us to the future, you have worked to keep the tradition and continue the heritage. What a meaningful job and magnificent history!

At the very beginning, when I walked onto the UEWM campus, I was impressed by the passionate atmosphere, the tireless teachers--deeply immersed and all the joy of learning and living. What a precious treasure! Looking back, I cannot stop remembering all the wonderful experiences. Due to my time at UEWM, I also improved my teaching and management skills. On this occasion, I want to say to you that I am working very hard far away. I have not let my alma mater down. In the past few years, I have carried my education and blessings from UEWM with me. My alma mater's experience is an important turning point in my life, and I will never forget this.

I wish my alma mater even more success and a bright future!
