Certification ---Please sign and date the completed certification. Your application will not be processed without your signature on this section.

"All of the information provided by me or any other person on this form is true and complete to the best of my knowledge. If asked by an authorized official, I agree to provide proof of the information that I have given on this form. I realize that this proof may include a copy of my U.S., State and/or local income tax return. I, also, realize that if I do not give proof when asked, I may be denied aid. I certify that I, the student, do not owe a refund on any Federal student grant, am not in default on any Federal student loan, and have not borrowed in excess of the Federal student loan limits, under the Federal student aid programs at any institution. I will use all Title IV financial aid funds received only for expenses related to my study.

I voluntarily authorize the UEWM to apply financial aid (Pell, FSEOG, SEOG Match, FWS, and Loans) received to my student account to pay for:

- Allowable charges other than tuition and fees such as library fines or books. Not checking the box will require a separate payment.
 Prior-year charges other than tuition and fees up to \$200. Not checking the box will require a separate payment.
 Hold credit balances resulting from Title IV Funds and allow them to go toward future educational expenses to the end of this academic year. Checking the box will not prevent you from requesting a refund if a valid credit is present on your account.

I understand that I may cancel or modify this authorization at any time and receive monies due me in full within 14 days of the cancellation. After paying tuition and fees, allowable charges, and prior-year allowable charges, any remaining loan funds will be distributed to me. My signature also confirms my agreement to repay the loan according to the terms of the Master Promissory Note.

I understand that I may cancel all or part of my loan by notifying UEWM within 14 days after the date my school sends me a disbursement notice.

I understand that I must take at least 6 credits (MS) or 4.5 credits (DAOM) each semester of the loan period. I must make Satisfactory Academic Progress in accordance to the University Satisfactory Academic Progress policy in order to be eligible for financial aid.

In the event that I withdraw from school before the end of a semester in which I am enrolled, I give the UEWM permission to post to my account at UEWM, any post-withdrawal disbursement from grant funds for which I am determined to be eligible to pay for my current charges, including allowable charges other than tuition and fees, and any minor prior year charges (under \$200). I understand that I am responsible for the charges remaining on my account after the post-withdrawal disbursement has been made. I, also, understand that if I do not grant this permission, I am responsible for the full amount of the charges on my account after the institutional refund policy has been applied. I understand that I may rescind this permission anytime in writing."

NOTE to all students and parents entering into an agreement regarding all Federal Loans, that information on the loan will be submitted to the NSLDS and accessible by authorized agencies, lenders, and institutions.
